# Outsource your payroll

## Simplify payroll and elevate care – remove the guesswork with Ageing Australia.

We are fortunate to work in a purpose-focused sector-driven by quality of life and care for the people we support. But your staff don't work for love alone. Ensuring they are paid accurately and on time is critical in keeping employees motivated and retaining quality staff.

Ageing Australia has been delivering payroll services for member organisations for over 20 years. Our team have a complete understanding of modern and older awards as well as the many varied enterprise agreements.

We offer professional, cost effective and accurate payroll processing and comprehensive reporting for each pay cycle, each month and at end-of-year.

### Services include:

- costing reports
- PAYG tax reports
- superannuation with clearing house
- single touch payroll
- online time and attendance and rostering
- fringe benefit payments
- pay reconciliation
- deductions

### Benefits of outsourcing:

- reduce internal administration
- reduce your overheads
- reduce the need for people management, career development or holiday cover.

### Why Ageing Australia:

- over 20 years' experience
- skilled and reliable team
- accurate and timely payment, always.

**Payroll services** – accurate, timely and reliable.
